

## How to get hitched! (A pronunciation and vocabulary lesson)

This is the script for the opening scene of Hitch, to be used with [this activity on MyEnglishWorld.org](http://www.MyEnglishWorld.org).

(The first few lines are done for you.)

Basic principles:

No woman wakes up saying:

"God, I hope I don't get swept off my feet today."

Now, she might say,

"This is a really bad time for me."

Or something like,

"I just need some space."

Or my personal favorite:

"I'm really into my career right now."

You believe that? Neither does she.

You know why?

Because she's lying to you, that's why.

You understand me? Lying.

It's not a bad time for her.

She doesn't need any space.

She may be into her career...

but what she's really saying is,

"Get away from me now."

Or possibly, "Try harder, stupid."

Well, which one is it?

60% of all human communication is nonverbal.

Body language.

30% is your tone.

So that means that 90% of what you're saying...

ain't coming out of your mouth.

Toby!

Shit!

Of course she'll lie to you.

She's a nice person.

She doesn't wanna hurt your feelings.

What else is she gonna say?

She doesn't even know you.

Yet.

Luckily, the fact is

that just like the rest of us...

even a beautiful woman doesn't know

what she wants until she sees it.

And that's where I come in.

My job is to open her eyes.

Toby!

Oh, my God!

Is this what you're looking for?

Basic principles: No matter what,

no matter when, no matter who...

any man has a chance

to sweep any woman off her feet.

Just needs the right broom...
